4. Choices

Visitors can Accept, Reject or configure non-essential categories. Refusal does not prevent ordinary access to the informational website. Consent is recorded and can be withdrawn through "Cookie Settings". Browser controls may also delete/block cookies.

5. Governance

- No non-essential tag loads before consent.
- Banner does not use pre-ticked choices or make rejection harder than acceptance.
- A fresh scan and notice review follows website/plugin/tag changes and occurs at least annually.
- Consent logs are retained only as necessary to demonstrate the choice.
- Website owner and DPO approve material changes.
